

Proposal to Run Pentecost Eve in Other Cities

Dear fellow brothers and sisters,

With love and honour to you, we want to thank you for supporting us and believing in what God has bestowed upon us to serve him in obedience. We also want to honour all the prayer movements in your city.

The Transforming Sydney Movement (transformingsydney.org) started in 2009, and in 2015 the Lord gave us a vision to start "Proclaiming Pentecost" to transform the heart of the city of Sydney to Jesus and bring a hope of revival and renewal to our beloved city. The Lord is doing amazing things; breakthrough as we move from region to region to bring Unity. He is cleansing, mobilizing prayer and connecting prayer movements across Sydney through the Pentecost Eve prayer gatherings. People from most church denominations are participating in this significant event each year. (More information is available at www.transformingsydney.org/Pentecost.html)

Proclaiming Pentecost is designed to celebrate Pentecost Eve in unity.

"But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth." Acts 1:8

We are praying for revival and transformation for our cities. God brought us together in prayer for this in Sydney on Pentecost Eve in 2015, 2016 and 2017. You can read the full reports at:

The goal of being one body with many parts (cf. 1 Corinthians 12:12) is most readily realized in prayer. Christians can disagree on many matters, but can also be united to pray for the needs of a community in which all peoples are restored into relationship with the Father. Taking this to heart, we earnestly look for and pray for revival, and in faith prepare for it by humbling ourselves, praying in meekness, turning from our self-determined ways, and seeking instead the face of God our Father (2 Chronicles 7:14).

As we enter each region we ask for the blessing of the pastors and elders and submit to their authority and anointing. We also ask for the blessings of the gate keepers and key intercessors of the same region.

Gathering together as one body, one church before our King Christ Jesus, and putting aside our differences of opinion and revelation to publicly recognize and worship the one true Lord and our Bridegroom fulfils Jesus' prayer in John 17, and can unlock transformational blessing over our nation and cities.

We are asking you to be part of what we believe God wants and seek your blessing, hoping that you start Pentecost Celebration in your city... we believe there is a significant anointing at Pentecost for the move of God. As standard practice, we never claim anything for ourselves nor ask for donations and we don't have any expectations – our Lord was and is faithful to us in everything. We believe God will bring those He wants to come. We are not looking for a big event, but for people with a heart for unity according to John 17:20.

Please take this request before the throne of God; we would really like to work in unity with you for this Pentecost Eve event.

Grace and peace,

Lilian Schmid

The Prayer Strategy for the Spheres of Influence is an independent national and international ministry. We work in equal collaboration with other prayer movements in Australia and overseas, but we do not 'follow' them. Our information, research and strategies are inspired by the Holy spirit and carefully discerned. We hope to continue our fellowship with you and with Jesus in our midst.
