

Hi Lilian,

Greetings in Jesus and Powerful and awesome name!

Thanks for your email and keep up your good work for the Kingdom of God. Prayer is powerful because it is the place man touches God and God touches man. The most powerful position a man can hold is to be on his knees before the throne of God. History truly belongs to the Intercessors.

Glen Vines the Senior Pastor of Lion's Roar House of Prayer [Runcorn Brisbane] and Co-ordinator of the Strategic Warfare Intercessory Network, I am a member of Harvest International Ministries as well as the Australian Prophetic Council.

Bjorn and Lilian

Thank you for this update. It is very helpful material.

Thank you for all you are doing. It is greatly appreciated.

Continuing to believe God for a breakthrough in the city and the nation.

I pray that you may enjoy good health and that all may go well with you, even as your soul is getting along well. (3 John 2)

Hi Lilian and Bjorn

We picked the materials off the website. We then invited the Protestant and Catholic school scripture coordinators to come and tell us about their roles and some stories from the children. They shared about some of the issues that they faced and we were able to pray for each one of them. What a blessing it was. In the past we have prayed for the schools, teachers etc in a general way but now we have specific prayer points and people to pray for.

So a BIG thank you to you for initiating this concept.

Love what you do.

Every blessing
