

Proclaiming Pentecost: An Act of Repentance

By Lilian Schmid, Convener, Proclaiming Pentecost ~ info@prayerstrategy.org

Proclaiming Pentecost is very important move of God for Australia and the whole world. Pentecost celebrations are not new of course, but the way we started running it since 2015 in Sydney is very unique and brought us closer to unity in accord with Christ's prayer in John 17:20.

Each year at the Proclaiming Pentecost celebration, some of the clergy (Priests, Pastors and Ministers) and prayer leaders from the region where the celebration was held in the previous year come to pass on the baton and bless the leaders in the next region. This is immediately followed by an act of repentance led by the leaders from the next region, confessing and asking God for forgiveness for the issues in the churches and the community of their region that God has lain on their hearts.

This is a very important act of humility, authority and

love, and ensures that the fire of Pentecost is spread from region to region until all cities and towns are covered with the Fire of Pentecost.

With love and honour, we want to thank those who supported us and believed in what God has bestowed upon us to serve Him in obedience. We also want to honour all the prayer movements in your town or city – we are praying for revival and transformation for our cities. With Proclaiming Pentecost God brought us together in prayer to glorify Jesus.

Go to our website <http://prayerstrategy.org/> and look under **Pentecost** for more information. You can read full reports at <http://prayerstrategy.org/pentecostreports/>

We encourage you to do the same wherever you are – start with the churches and prayer groups in your region and go on from there to you neighbouring regions encouraging your brothers and sisters with the love of Father God.

*“A new command I give you: Love one another. As I have loved you, so you must love one another.”
